

ENDING POVERTY

IN NORTHEAST WISCONSIN

Welcome Reception
AUGUST 13, 2019

U.S. Venture Open
AUGUST 14, 2019

Each year, the U.S. Venture Open brings together golfers, community partners and volunteers. This generous support helps us to leverage valuable resources that improve the lives of thousands in Northeast Wisconsin.

\$1.6 million

partners

JOIN US as we celebrate more than 33 years of community-focused, outcome-driven philanthropy.

One event.

Hundreds of golfers, partners and volunteers enjoy an extraordinary event for a critical cause: ending poverty. U.S. Venture pays all expenses of the event. 100% of your donations go to ending poverty within area community foundations.

One mission.

U.S. Venture relies on the expertise and knowledge of area community foundations and their grant teams to oversee and implement the granting process and review.

Nonprofits collaborate and submit grant applications that address drivers of poverty. Grant teams recommend funding for the most impactful proposals in Northeast Wisconsin.

A grantmaking match of \$800,000 from the J. J. Keller Foundation and \$200,000 commitment from Oshkosh Corporation, ThedaCare and the Thrivent Foundation lead this effort.

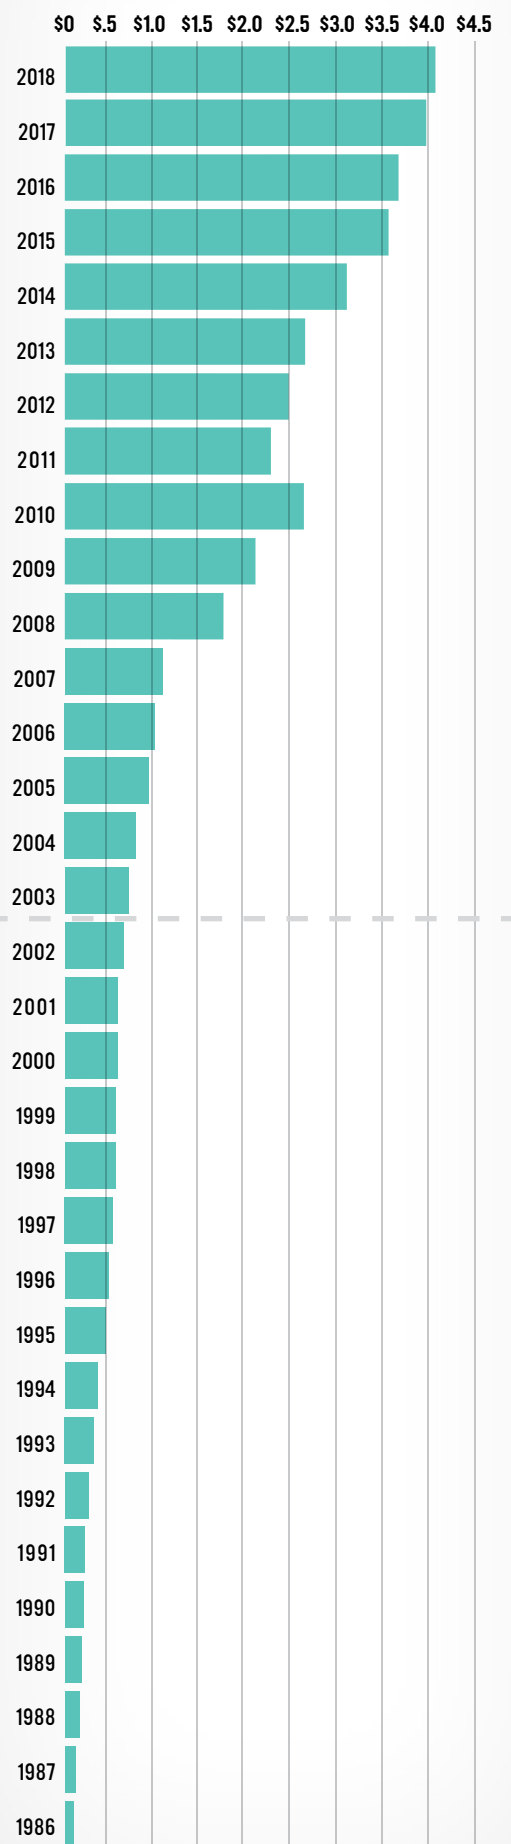

Thousands served.

\$1.6 million in new grants given this year from the Basic Needs Giving Partnership to end poverty in Northeast Wisconsin.

Your partnership makes this possible.

Funds raised.
