## One *event.*

Hundreds of golfers, partners and volunteers enjoy an extraordinary event for a critical cause: ending poverty. U.S. Venture pays all expenses of the event. 100% of your donations go to ending poverty.

## One *mission.*

Our mission to end poverty remains unchanged and the last year has pushed us to respond to the needs of our community in new ways. We've redesigned grantmaking allowing grantees to take calculated risks and address both urgent needs and long-term systems change. We are committed to evolving the structure and strategy of this work to meet the needs of our community.

## Thousands *served.*

**\$8.38 million in new grants given this year from the Basic Needs Giving Partnership to end poverty in Northeast Wisconsin.**
