PAR THREES

Golf Course Volunteer Description

GENERAL INFORMATION:

Arrival Time:

Please see your individual Volunteer Assignment sheet for your specific arrival time. Be prompt.

Tips:

- Wear sunscreen, you may want to wear work clothes for set up and change into your volunteer shirt before the golfers arrive.
- Wear your volunteer shirt and what is comfortable and presentable - no holes please.
 - If you are at North Shore, Oneida, Butte des Morts or Thornberry, please do not wear denim.
- Your course has a Course Coordinator who is in charge of all course activities. When you arrive, there will be a volunteer lead to explain your job details.

COURSE DUTIES:

Your role is to have fun with the golfers while you work at a par three. Because the par three is a short hole, golfers usually get backed up here. This is your opportunity to have fun with the golfers, but not to hold up the play on the course. Feel free to take photos of golfers having fun and post on social media. Send photos/videos to **Shelley Pakala at 920-213-6695**.

THESE ITEMS WILL BE AT YOUR HOLE:

- A large canopy, if there is no natural shade near the tee box
- 3-4 coolers labeled as “Beer,” “Soda,” “Diet,” “Water,” and/or “Fruit/Snacks”
- Pens, Petty cash, money apron, gift cards for game winners, Garbage bags, cans, and recycling bins, Master contact list, Mulligan cards

DUTIES:

1. **Direct golfers:** Ensure the golfers are at the correct hole before they begin golfing. The foursome’s starting hole number will be on their name tag.
2. **Play games with Golfers:** There is a par 3 game alignment among the courses. There are various games to choose from with supplies and directions provided for you. Game selection and confirmation will be done through [Sign Up Genius](#).
3. **Sell Mulligans:** Mulligans offer golfers a do over. Mulligans cost \$5 each, and each card holds 10 Mulligans. Golfers may purchase Mulligans before they reach you, so be sure to “X” off one Mulligan on their card if they want to use it. Encourage golfers to purchase a Mulligan card if they don’t have one already. Mulligans may NOT be used for hole-in-one prizes.
4. **Hole-in-One:** The golfers have the opportunity to win a prize if they score the **FIRST** hole-in-one at your course. **It’s your job to watch them tee off and witness if they hit a hole-in-one.** Mulligans may NOT be used. You must confirm with each golfer that their first shot is for the hole-in-one prize on the course.
5. **Coolers:** Keep an eye on the coolers under your canopy. If they look to be getting low on beverages or food, alert the volunteers who are driving carts and restocking coolers when they come to your hole.

ONGOING GOLF COURSE DUTIES
Golf Course Volunteer Description

Your job is important because you keep the golfers happy and the golf course looking beautiful. You will be outside all day, keeping coolers restocked, trash off the course, and other similar duties.

DUTIES:

1. Stock coolers and tubs: Each par three will have coolers labeled and filled with water, soda, beer, and fruit/snacks. It is your responsibility to restock the coolers and make sure there is enough ice to keep things cold.

- Supplies you will get:
- Golf Cart
 - Course Map
 - Food and beverage products and ice

2. Replace volunteers working par three holes: To give our volunteers a break during the day, you may be asked to replace a volunteer for a short time.

3. Pick up trash: Because we have food and beverage on the par three holes, these holes have a tendency to collect the most trash and recycling. You may be asked to pick up garbage and recycling on the par threes to keep the course looking clean. Your Course Coordinator will tell you where to leave the garbage and recycling.

- Supplies you will get:
- Garbage Bags
 - Cart
 - Course Map

4. Food assistance: Food will be served until 2:30 p.m. A representative from the caterer will direct you. - Supplies you will get:
- Gloves provided by caterer

5. Grill food: Begin grilling meat in the morning during setup and throughout the day. The caterer will provide the grilling utensils.

6. Shake of the Day: This is a fun and easy game, which consists of counting the number of times a person can shake a certain number on the dice. Instructions for the game will be on the clipboard with the score sheets. Winners announced at Van Abels in evening

- Supplies you will get:
- Dice – 10 or more
 - Dice Box
 - Rules
 - Shake of the Day Score Sheets
