- PCR test (available at local pharmacies) results sheet if dated by Sunday, Aug. 8.
- Proof of vaccination.

Following safety protocol, once you are cleared, you will be issued an orange wristband for Van Abels entry,

DUTIES:

Register attendees: You will be stationed at a table inside Van Abels. You will check in the **dinner only** attendees. Each attendee will receive a nametag, wristband, bidder paddle, and two drink tokens. Politely turn away anyone who is not confirmed to attend Van Abels and/or the VIP reception and send them to U.S. Venture Open staff member if they object to this. Please encourage the attendees to wear their name tag and make sure they wear their wristbands. ****Magnetic nametags cannot be worn if attendee has a pacemaker.**

Supplies you will have:

- Attendee Lists
- Pen
- Scissors
- Supply of drink tokens for dinner only attendees

PHOTO ASSISTANT:

Photographs from the VIP event will need to be placed in frames and arranged on the tables in the registration area for guests to claim at the conclusion of the event. Assist guests in finding their photos on the tables as they leave.

GIVESMART:

You will work with the GiveSmart lead Henry. He will train you on how to use GiveSmart software on an iPad (provided). When a guest tells you the prize they are claiming, you will help them identify the correct number and possibly take payment before they move forward to claim item(s).

NORTH DOOR SECURITY:

You will be at the North entrances to the Main tent. Greet golfers as they arrive and ensure they have a blue & orange wristband on. **IMPORTANT:** Attendees must have both an orange and blue wristband to enter.

If they don't have an orange wristband, direct them to the ThedaCare tent. After they have the orange wristband, direct them to the Van Abel's North entrance to receive their name tags, wristband, drink tokens, and bidder numbers. They must go around the building (rather than through the tent) to registration inside Van Abels.

SPECIAL INFORMATION:

- There will be a private VIP reception in a separate tent off of the main tent for select participants to meet our Guest of Honor.
- We do not sell tickets at the door for dinner or the VIP Event.
- Bidder Numbers were given to golfers at golf course registration.
 - If they happen to lose their Bidder Paddle, there will be blanks available.
 - Rewrite their bidder number on a blank bidder paddle, if needed.

THEDACARE:

Assist ThedaCare with managing the lines of attendees coming through for onsite rapid testing to get their orange wristband for entrance to dinner.

DISTRIBUTE COURSE GAME PRIZES:

COLLECT MAGNETIC NAME TAG HOLDERS:

You will collect the magnetic name tag holders from attendees as they leave Van Abels by an exit door.

CLEAN UP:

Help load prizes and other items that must be returned to U.S. Venture. Anyone available at the end of the night should help to clean up and load vehicles. This usually goes very quickly, especially if everyone pitches in.

Thank you for taking the time to volunteer. You are very important to the success of the event. We're excited to have you.
